2. Website Day Itinerary – Family Fun

Location: Caernarfon

Morning: Why not spend some time at the multi-award winning **Fun Centre** or **Hwylfan**, in Welsh, in the centre of the Royal Walled town of Caernarfon. While the kids are wearing themselves out on the giant drop slides, ball pools, tubes, bridges, maze, climbing walls, net and ropes, the adults can relax in the fully licensed restaurant with outside patio area or join the children in the play area. While at the Centre why not visit Gog the Welsh dragon's driving school on the top floor. Take the wheel of a variety of different vehicles ranging from a Ferrari to an American truck and then test your driving skill on the Fun Centre's oval track.
